Bible Study

For Study through the Week – May 22, 2022

John 10:11-21

Single Question Study: Looking at John 10:1-19, what is it that makes Jesus a good shepherd? What qualities of good leadership do you see in this passage? If you take Jesus' example-how can you better love others?

1. Think of someone who loved you well in the past. How well did they know you? What sacrifices did they make for you?

2. What does a good shepherd do, according to Jesus in John 10:11?
   How does a "hired hand" fail to care for the sheep (6:12-13)?
   How does the "hired hand" feel about the sheep and does he feel that way?

3. What does it mean to you that Jesus knows you? Notice that this "knowing" is the "knowing" of love, not of judgement, not of ridicule or of anger.

   What do you think it means that Jesus knows us like the Father knows us?

4. What does Jesus say about his flock in verse 6? What is he talking about, according to Ephesians 2:15-18?

5. In verse 18 we see that God gave Jesus a charge to shepherd the sheep. How did Jesus use his authority, according to verse 18?

6. What is it that the Father loved about Jesus? (verse17)

7. What does this teach us about the leadership of Jesus? What does this teach you about godly leadership?

8. Do you see areas where you can show the love of Jesus by knowing someone better? By sacrificing something for them.

9. **Application**: How can you use your authority and position of influence for the benefit of others?
